Your 2016 Faucet Selections

Moen, products aren't just stylish additions to your home. They're the connections that help make our everyday lives just a little bit easier. You can experience the durability, and feel the quality materials with every touch. Moen has spent over seven decades focused on making their products the best in the industry. With this dedication to trusted performance, they have built their position as the #1 faucet brand in North America.

Plumbing products that provide as much as 32% water savings without sacrificing performance.

Easy to clean finish that maintains your faucets brilliance with little effort. No more fingerprints or water spots.

Hands free convenience that leaves your faucet clean and prevents the spread of germs

Pull-out and pull-down kitchen spray wands that maneuver easily and actually put themselves away.

Duralast Cartridges are guaranteed to provide the same solid, smooth and reliable performance for life.

A little power behind your rain shower for the important things like getting the shampoo out of your hair.

## Moen Warranty

Moen® products have been manufactured under the highest standards of quality and workmanship. Moen warrants to the original consumer purchaser for as long as the original consumer purchaser owns their home (the "Warranty Period" for homeowners), that this faucet will be leak- and drip-free during normal use and all parts and finishes of this faucet will be free from defects in material and manufacturing workmanship. All other purchasers (including purchasers for industrial, commercial and business use) are warranted for a period of 5 years from the original date of purchase (the "Warranty Period" for non-homeowners).

If this faucet should ever develop a leak or drip during the Warranty Period, Moen will **FREE OF CHARGE** provide the parts necessary to put the faucet back in good working condition and will replace **FREE OF CHARGE** any part or finish that proves defective in material and manufacturing workmanship, under normal installation, use and service. Replacement parts may be obtained by calling **1-800-289-6636 (Canada 1-800-465-6130)**, or by writing to the address shown below. Proof of purchase (original sales receipt) from the original consumer purchaser must accompany all warranty claims. Defects or damage caused by the use of other than genuine Moen parts is not covered by this warranty. This warranty is applicable only to faucets purchased after December, 1995 and shall be effective from the date of purchase as shown on purchaser's receipt.

### **Moen Incorporated**

25300 Al Moen Drive  
North Olmsted, Ohio 44070-8022

This warranty is extensive in that it covers replacement of all defective parts and finishes. However, damage due to installation error, product abuse, product misuse, or use of cleaners containing abrasives, alcohol or other organic solvents, whether performed by a contractor, service company, or yourself, are excluded from this warranty. Moen will not be responsible for labor charges and/or damage incurred in installation, repair or replacement, nor for any indirect, incidental or consequential damages, losses, injury or costs of any nature relating to this faucet. Except as provided by law, this warranty is in lieu of and excludes all other warranties, conditions and guarantees, whether expressed or implied, statutory or otherwise, including without restriction those of merchantability or of fitness for use.

Some states, provinces and nations do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state, province to province, nation to nation. Moen will advise you of the procedure to follow in making warranty claims. Simply write to Moen Incorporated using the address above. Explain the defect and include proof of purchase and your name, address, area code and telephone number.
